(a) Not annualized.

(b) Annualized.

(c) The contractual fee and expense waiver is reflected in both the net expense and net investment income ratios (see Note 3).

(d) The adviser voluntarily forwant the fee waiver recoupment for the year ended November 30, 2024 which resulted in a lower expense ratio. Had the adviser collected the available fees, the net expense ratio would have been 1.02%.

* For the period December 31, 2019 (commencement of investment operations) through November 30, 2020.

** Per share net investment income has been determined on the basis of average shares outstanding during the period.

*** Total return in the above table represents the rate that the investor would have earned or lost on an investment in the Fund assuming reinvestment of dividends. Returns would have been lower had the adviser not reimbursed expenses/waived fees during the period.

**** Less than \$0.005.

TOWPATH FUNDS

NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2024

NOTE 1. ORGANIZATION

The Towpath Focus Fund (the "Focus Fund") is a non-diversified series of the MSS Series Trust (the "Trust") and commenced operations on December 31, 2019. The Towpath Technology Fund (the "Technology Fund") is a non-diversified series of the Trust and commenced operations on December 31, 2020. Each Fund's investment objective is to provide long-term capital appreciation. The Trust is an open-end investment company registered under the Investment Company Act of 1940, as amended (the "1940 Act"), established under the laws of Ohio by an Agreement and Declaration of Trust dated June 20, 2006 (the "Trust Agreement"). The Trust Agreement permits the Board of Trustees (the "Board" or "Trustees") to authorize and issue an unlimited number of shares, without par value, of beneficial interest of each separate series. There are currently four separate series offered by the Trust. The investment adviser to the Focus Fund and the Technology Fund is Oelschlager Investments, LLC (the "Adviser" or "Oelschlager").

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The following is a summary of significant accounting policies used in preparing the financial statements. The Trust follows the accounting and reporting guidance of the Financial Accounting Standards Board ("FASB") under Accounting Standards Codification Topic 946 "Financial Services – Investment Companies" including FASB Accounting Standards Update ("ASU") 2013-08.

SECURITY VALUATIONS:

Processes and Structure

The Board has adopted guidelines for valuing securities including circumstances in which market quotes are not readily available and has delegated to the Adviser the responsibility for determining fair value prices, subject to oversight by the Board.

Fair Value Pricing Policy

The Board has adopted guidelines for fair value pricing, and has delegated to the Adviser the responsibility for determining fair value prices, subject to oversight by the Board. If market quotations are not readily available, the security will be valued at fair value (the amount which the owner might reasonably expect to receive for the security upon its current sale) as determined in good faith by the Adviser ("Fair Value Pricing"), subject to oversight by the Board. The Adviser must use reasonable diligence in determining whether market quotations are readily available. If, for example, the Adviser determines that one source of market value is unreliable, the Adviser must diligently seek market quotations from other sources, such as other brokers or pricing services, before concluding that market quotations are readily available. Fair Value Pricing is not permitted when market quotations are readily available.

Fair Value Measurements

GAAP defines fair value as the price that the Funds would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date and also establishes a framework for measuring fair value, and a threelevel hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset or liability. The three-tier hierarchy seeks to maximize the use of observable market data and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the Funds' own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

In December 2020, the Securities and Exchange Commission ("SEC") adopted a new rule providing a framework for fund valuation practices ("Rule 2a-5"). Rule 2a-5 establishes requirements for determining fair value in good faith for purposes of the 1940 Act. The Funds were required to comply with Rule 2a-5 by September 8, 2022 and as a result, the Board of the Trust has approved valuation procedures for the Trust (the "Valuation Procedures"), which are used for determining the fair value of any Fund investments for which a market quotation is not readily available. The valuation of each Fund's investments is performed in accordance with the principles found in Rule 2a-5 and in conjunction with FASB's Accounting Standards Codification Topic 820, Fair Value Measurements and Disclosures ("ASC 820").

The Board has designated the Adviser as the valuation designee of the Funds. As valuation designee, the Adviser performs the fair value determination relating to any and all investments of each Fund, subject to the conditions and oversight requirements described in the Valuation Procedures. In furtherance of its duties as valuation designee, the Adviser has formed a valuation committee (the "Valuation Committee"), to perform fair value determinations and oversee the day-to-day functions related to the fair valuation of each Fund's investments. The Valuation Committee may consult with representatives from the Trust's outside legal counsel or other third-party consultants in their discussions and deliberations.

Equity securities (common stocks and ADR's). Securities traded on a national securities exchange (or reported on the NASDAQ national market) are stated at the last reported sales price on the day of valuation. To the extent these securities are actively traded, and valuation adjustments are not applied, they are categorized in Level 1 of the fair value hierarchy. Certain foreign securities may be fair valued using a pricing service that considers the correlation of the trading patterns of the foreign security to the intraday trading in the U.S. markets for investments such as American Depositary Receipts, financial futures, exchange traded funds, and the movement of the certain indexes of

securities based on a statistical analysis of the historical relationship and that are categorized in Level 2. Preferred stock and other equities traded on inactive markets or valued by reference to similar instruments are also categorized in Level 2.

Money market fund. Money market funds are valued at net asset value. These securities will be categorized in Level 1 of the fair value hierarchy.

A description of the valuation techniques applied to the Funds' major categories of assets measured at fair value on a recurring basis are as follows.

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the Funds have the ability to access.

Level 2 - Observable inputs other than quoted prices included in level 1 that are observable for the asset or liability either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates, and similar data.

Level 3 - Unobservable inputs for the asset or liability to the extent that relevant observable inputs are not available, representing the Funds' own assumptions about the assumptions that a market participant would use in valuing the asset or liability, and that would be based on the best information available.

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in the security.

The following table presents information about each Fund's investments measured at fair value as of November 30, 2024, by major security type:

| Towpath Focus Fund Assets | <u>Quoted Prices in</u> <u>Active Markets for</u> <u>Identical Assets</u> <u>(Level 1)</u> | Significant Other Observable Inputs (Level 2) | <u>Significant</u> <u>Unobservable</u> <u>Inputs</u> <u>(Level 3)</u> | Balance as of <u>November</u> <u>30, 2024</u> <u>(Total)</u> |
|---------------------------------|---|---|--|---|
| Common Stocks | \$ 34,225,784 | \$ - | \$ - | \$ 34,225,784 |
| Money Market Fund Total | <u>6,623,866</u> <u>\$40,849,650</u> | <u>-</u> <u>\$</u> | <u>-</u> | <u>6,623,866</u> <u>\$40,849,650</u> |
| | | | | |
| _ | Quoted Prices in Active Markets for | Significant Other | <u>Significant</u> <u>Unobservable</u> | Balance as of November |
| Towpath | Active Markets for Identical Assets | Observable Inputs | <u>Unobservable</u> <u>Inputs</u> | <u>November</u> <u>30, 2024</u> |

| Technology Fund Assets | Active Markets for Identical Assets (Level 1) | Observable Inputs (Level 2) | <u>Unobservable</u> <u>Inputs</u> (Level 3) | <u>November</u> <u>30, 2024</u> <u>(Total)</u> |

Annual Financial Statements | 15

The Funds did not hold any Level 3 securities during the year presented. For a further breakdown of each investment by industry type, please refer to each Fund's Schedule of Investments.

SECURITY TRANSACTION TIMING: For financial reporting purposes, investment transactions are accounted for on the trade date on the last business day of the reporting period. Dividend income and distributions to shareholders are recognized on the exdividend date. Non-cash dividend income is recorded at fair market value of the securities received. Interest income is recognized on an accrual basis. The Funds use the specific identification method in computing gain or loss on sale of investment securities. Discounts and premiums on securities purchased are accreted or amortized over the life of the respective securities using the effective interest method. Withholding taxes on foreign dividends have been provided for in accordance with the Funds' understanding of the appropriate country's rules and tax rates.

FEDERAL INCOME TAXES: The Funds make no provision for federal income or excise tax. The Funds intend to qualify each year as "regulated investment companies" ("RIC") under subchapter M of the Internal Revenue Code of 1986, as amended, by complying with the requirements applicable to RICs and by distributing substantially all of its taxable income. The Funds also intend to distribute sufficient net investment income and net capital gains, if any, so that it will not be subject to excise tax on undistributed income and gains. If the required amount of net investment income or gains is not distributed, the Funds could incur a tax expense. Therefore, no federal income tax or excise provision is required.

The Funds recognize the tax benefits of uncertain tax positions only when the position is more likely than not to be sustained, assuming examination by tax authorities. Management has analyzed the Funds' tax positions and concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for open tax years (2021-2023) or expected to be taken in the Funds' 2024 tax return. The Funds identify their major tax jurisdiction as U.S. federal and the Funds are not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially in the next 12 months.

The Funds recognize interest and penalties, if any, related to unrecognized tax benefits as income tax expense in the Statements of Operations. During the year ended November 30, 2024, the Funds did not incur any interest or penalties.

SHARE VALUATION: The Funds' Net Asset Value ("NAV") are calculated once daily at the close of regular trading hours on the New York Stock Exchange (the "NYSE") (generally 4:00 p.m. Eastern Time) on each day the NYSE is open. The NAV is determined by totaling the value of all portfolio securities, cash and other assets held by the Funds, and subtracting from that total all liabilities, including accrued expenses. The total net assets are divided by the total number of shares outstanding for the Funds to determine the NAV of each share class.

DISTRIBUTIONS TO SHAREHOLDERS: The Funds typically distribute substantially all of their net investment income and realized gains in the form of dividends and taxable capital gains to its shareholders. The Funds intend to distribute dividends and capital gains at least annually. Distributions to shareholders, which are determined in accordance with income tax regulations, are recorded on the ex-dividend date. The treatment for financial reporting purposes of distributions made to shareholders during the year from net investment income or net realized capital gains may differ from their ultimate treatment for federal income taxes purposes. These differences are caused primarily by differences in the timing of the recognition of certain components of income, expense or realized capital gain for federal income tax purposes. Where such differences are permanent in nature, they are reclassified in the components of the net assets based on their ultimate characterization for federal income tax purposes. Any such reclassifications will have no effect on net assets, results of operations or NAV per share of the Funds.

EXPENSES: Expenses incurred by the Trust that do not relate to a specific fund of the Trust will be allocated to individual funds based on each fund's relative net assets or another appropriate basis (as determined by the Trustees).

USE OF ESTIMATES: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets from operations during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS: The Funds maintain their cash in an account at a custodian bank which, at times, may exceed federally insured limits. The Funds have not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash deposits.

NOTE 3. RELATED PARTY TRANSACTIONS AND OTHER AGREEMENTS

INVESTMENT ADVISER: Oelschlager Investments, LLC, serves as the Funds' investment adviser. Pursuant to a management agreement, each Fund pays Oelschlager an investment advisory fee, computed and accrued daily and paid monthly, at an annual rate of 0.70% of each Fund's average daily net assets. Advisory Fees paid by each Fund are disclosed in the Statements of Operations.

The Adviser has contractually agreed to reduce its fees and to reimburse expenses, at least through March 31, 2025, to ensure that the total annual operating expenses of the Funds, after fee waiver and reimbursement (exclusive of any 12b-1 fees, acquired fund fees and expenses, interest expenses, dividend expenses on short sales, taxes, brokerage commissions, expenses incurred in connection with any merger or reorganization, or extraordinary expenses such as litigation) will not exceed 1.10% of the average daily net assets of each Fund. These fee waivers and expense reimbursements are subject to

possible recoupment from each Fund within three years after the waiver or reimbursement occurs, if such recoupment is approved by the Board. The Funds may only make a repayment to the Adviser if such repayment does not cause the applicable Fund's expenses to exceed both 1) the expense cap in place of the time the expenses were waived, and 2) the Fund's current expense cap. This agreement may be terminated only by the Board, on 60 days written notice to the Adviser. Fee waiver and reimbursement arrangements can decrease the Fund's expenses and boost its performance. During the year ended November 30, 2024, for the Focus Fund, the Adviser elected to waive the recoupment fees of \$24,574. During the year ended November 30, 2024 for the Technology Fund, the Adviser waived \$45,851 in advisory fees and expenses.

There are no Advisory fees waived and/or reimbursed expenses that may be subject to potential recoupment by the Adviser, as of the date such fees were waived, for the Focus Fund through November 30, 2027.

Advisory fees waived and/or reimbursed expenses that may be subject to potential recoupment by the Adviser, as of the date such fees were waived, for the Technology Fund through November 30, 2027, are as follows:

| Recoverable Through | Amount Recoverable |
|---------------------|--------------------|
| November 30, 2025 | \$45,800 |
| November 30, 2026 | \$51,435 |
| November 30, 2027 | \$45,851 |

TRANSFER AGENT: An interested Trustee, Gregory B. Getts, is the owner/president of Mutual Shareholder Services, LLC ("MSS"), the Funds' transfer agent and fund accountant. MSS receives an annual fee from the Funds of \$11.50 per shareholder or an annual minimum for transfer agency services. For its services as fund accountant, MSS receives an annual fee from the Funds based on the average net assets of each Fund. Transfer Agent and Fund Accounting Fees are disclosed in the Statements of Operations.

ADMINISTRATOR AND CCO: The Trust, on behalf of the Funds, also entered into Administration and Compliance Agreements with Empirical Administration, LLC ("Empirical") which provides for administration and compliance services to the Funds. Brandon M. Pokersnik is the owner/president of Empirical, and also an employee of MSS. Mr. Pokersnik serves as the Chief Compliance Officer and an officer of the Trust. For the services Empirical provides under the Administration and Compliance Agreements, Empirical receives a total monthly fee of \$1,000 from the Funds. Administrative and Chief Compliance Officer Fees paid by the Funds are disclosed in the Statements of Operations.

UNDERWRITER: Ultimus Fund Distributors, LLC (the "Underwriter") ("Ultimus") acts as the Funds' principal underwriter in a continuous offering of the Funds' shares. The Underwriter is compensated by the Adviser, not the Funds, for acting as principal underwriter. For the year ended November 30, 2024, Ultimus was paid \$23,364 for its services provided to the Focus Fund and the Technology Fund.

NOTE 4. INVESTMENT TRANSACTIONS

Investment transactions, excluding short-term investments, for the year ended November 30, 2024 for the Focus Fund and the Technology Fund, were as follows:

| | Focus Fund | Technology Fund |
|-----------|--------------|-----------------|
| Purchases | \$ 3,358,320 | \$ 695,596 |
| Sales | \$ 1,204,051 | \$ 339,009 |

NOTE 5. FEDERAL INCOME TAX

For federal income tax purposes, the cost of investments owned as of November 30, 2024 is \$29,584,970 and \$4,594,834 for the Focus Fund and Technology Fund, respectively. As of November 30, 2024, the gross unrealized appreciation on a tax basis totaled \$11,873,294 and the gross unrealized depreciation totaled \$608,614 for a net unrealized appreciation of \$11,264,680 for the Focus Fund. As of November 30, 2024, the gross unrealized appreciation totaled \$1,468,271 and the gross unrealized depreciation totaled \$135,103 for a net unrealized appreciation of \$1,333,168 for the Technology Fund.

As of November 30, 2024, the difference between book and tax basis unrealized appreciation was attributed to the deferral of wash sales.

As of November 30, 2024 the components of distributable earnings on a tax basis for the Focus Fund were as follows:

| Net unrealized appreciation | \$ 11,264,680 |
|-----------------------------|------------------|
| Total | \$ 11,264,680 |

As of November 30, 2024 the components of distributable earnings on a tax basis for the Technology Fund were as follows:

| Net unrealized appreciation | \$ 1,333,168 |
|-----------------------------|-----------------|
| Total | \$ 1,333,168 |

For the year ended November 30, 2023, there were ordinary income distributions of \$318,324 and long-term capital gain distributions of \$243,706 for the Focus Fund. For the year ended November 30, 2023, there were no ordinary income distributions and long-term capital gain distributions of \$18,800 for the Technology Fund.

For the year ended November 30, 2024, there were ordinary income distributions of \$1,016,911, long-term capital gain distributions of \$422,882, and Return of Capital distributions of \$4,037 for the Focus Fund. For the year ended November 30, 2024, there were ordinary income distributions of \$43,542, long-term capital gain distributions of \$110,219, and Return of Capital distributions of \$68,962 for the Technology Fund.

NOTE 6. BENEFICIAL OWNERSHIP

The beneficial ownership, either directly or indirectly, of more than 25% of the voting securities of a fund creates a presumption of control of the fund, under Section 2(a)(9) of the 1940 Act. As of November 30, 2024, Mark & Tina Oelschlager held approximately 31% of the voting securities of the Focus Fund and may be deemed to control the Fund.

NOTE 7. CONTINGENCIES AND COMMITMENTS

The Funds indemnify the Trust's officers and Trustees for certain liabilities that might arise from their performance of their duties to the Funds. Additionally, in the normal course of business the Funds enter into contracts that contain a variety of representations and warranties and which provide general indemnifications. The Funds' maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Funds that have not yet occurred. However, based on experience, the Funds expect the risk of loss to be remote.

NOTE 8. MARKET RISK

Overall market risks may also affect the value of the Funds. Factors such as domestic economic growth and market conditions, interest rate levels and political events affect the securities markets. Local, regional or global events such as war, acts of terrorism, the spread of infectious illness or other public health issue, climate change or climate change related events, recessions and depressions, or other events could have a significant impact on the Funds and their investments and may impair market liquidity, thereby increasing liquidity risk. The Funds could lose money over short periods due to short-term market movements and over longer periods during more prolonged market downturns. During a general market downturn, multiple asset classes may be negatively affected. Changes in market conditions and interest rates can have the same impact on all types of securities and instruments.

NOTE 9. SECTOR CONCENTRATION RISK

Sector concentration risk is the possibility that securities within the same sector will decline in price due to sector-specific market or economic developments. If the Technology Fund invests more heavily in a particular sector, the value of its shares may be especially sensitive to factors and economic risks that specifically affect that sector. As a result, the Fund's share price may fluctuate more widely than the value of shares of a mutual fund that invests in a broader range of sectors. Additionally, some sectors could be subject to greater government regulation than other sectors. Therefore, changes in regulatory policies for those sectors may have a material effect on the value of securities issued by companies in those sectors.

NOTE 10. NEW ACCOUNTING PRONOUNCEMENTS

In September 2023, the SEC adopted a final rule relating to "Names Rule" under the 1940 Act. The amendments expanded the rule to require more funds to adopt an 80 percent investment policy, including funds with names suggesting a focus in investments with particular characteristics (e.g., growth or value) or with terms that reference a thematic investment focus (e.g., environmental, social, or governance factors). The amendments will require that a fund review its name for compliance with the rule. If needed, a fund may need to adopt an 80 percent investment policy and review its portfolio assets' treatment under such policy at least quarterly. The rule also requires additional prospectus disclosure and reporting and record keeping requirements. The amendments became effective on April 9, 2024. The compliance date is February 9, 2026 for Funds with more than \$1 billion in assets and August 9, 2026 for Funds with less than \$1 billion in assets. Management is currently evaluating the impact of the new rule.

NOTE 11. SUBSEQUENT EVENTS

Management has evaluated the impact of all subsequent events on the Funds through the issuance date of these financial statements and has noted no other such events requiring accounting or disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders of Towpath Funds and Board of Trustees of MSS Series Trust

Opinion on the Financial Statements

We have audited the accompanying statements of assets and liabilities, including the schedules of investments, of Towpath Focus Fund and Towpath Technology Fund (the "Funds"), each a series of MSS Series Trust, as of November 30, 2024, the related statements of operations, changes in net assets, the financial highlights for each of the periods indicated below, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of each of the Funds as of November 30, 2024, the results of their operations, the changes in net assets, and the financial highlights for each of the periods indicated below, in conformity with accounting principles generally accepted in the United States of America.

| Fund Name | Statements of Operations | Statements of Changes in Net Assets | Financial Highlights |
|----------------------------|--|--|---|
| Towpath Focus Fund | For the year ended November 30, 2024 | For the years ended November 30, 2024, and November 30, 2023 | For the years ended November 30, 2024, 2023, 2022, 2021 and for the period December 31, 2019 (commencement of investment operations) through November 30, 2020 |
| Towpath Technology Fund | For the year ended November 30, 2024 | For the years ended November 30, 2024, and November 30, 2023 | For the years ended November 30, 2024, 2023, 2022 and for the period December 31, 2020 (commencement of investment operations) through November 30, 2021 |

Basis for Opinion

These financial statements are the responsibility of the Funds' management. Our responsibility is to express an opinion on the Funds' financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Funds in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our procedures included confirmation of securities owned as of November 30, 2024, by correspondence with the custodian. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

We have served as the Funds' auditor since 2019. Cohen f Company

COHEN & COMPANY, LTD. Cleveland, Ohio January 28, 2025

PROXY VOTING

A description of the policies and procedures that the Funds use to determine how to vote proxies relating to portfolio securities and information regarding how the Funds voted proxies during the most recent 12 month period ended June 30, are available without charge upon request by (1) calling the Funds at 877-593-8637 and (2) from Fund documents filed with the Securities and Exchange Commission ("SEC") on the SEC's website at <u>www.sec.gov</u>.

TOWPATH FOCUS FUND AND TOWPATH TECHNOLOGY FUND ADVISORY AGREEMENT RENEWAL (OCTOBER 30, 2024 AND NOVEMBER 6, 2024)

Counsel directed the Trustees' attention to the renewal of the investment advisory agreement between Oelschlager Investments, LLC ("Oelschlager") and the Trust, on behalf of the Towpath Focus Fund and the Towpath Technology Fund. Legal counsel assisted the Trustees throughout the advisory agreement review process. Counsel referred the Trustees to the memorandum from Thompson Hine regarding their duties in approving/renewing investment advisory and sub-advisory agreements, a copy of which was included in the Board Materials and provided to the Trustees in advance of the Meeting. Counsel reviewed the factors that should be considered when evaluating the approval or renewal of advisory and sub-advisory agreements with the Trustees.

The Trustees relied upon the advice of legal counsel and their own business judgment in determining the material factors to be considered in evaluating the advisory and subadvisory agreements and the weight to be given to each such factor. The conclusions reached by the Trustees were based on a comprehensive evaluation of all the information provided and were not the result of any one factor. Moreover, each Trustee may have afforded different weight to the various factors in reaching his conclusions with respect to the approval of the advisory and sub-advisory agreements.

Nature, Extent and Quality of Service. The Trustees reviewed the advisory services provided by Oelschlager of both Towpath Funds since inception. They evaluated the background of key personnel responsible for servicing the Funds, observing that the key personnel had remained the same over the prior year. The Trustees observed that that the Adviser utilized Pine Advisor Solutions, LLC for compliance and operational support. The Trustees evaluated the Adviser's compliance monitoring practices, recognizing that the firm employed order management software, which incorporated pre-trade and post-trade compliance reporting. The Trustees evaluated the four-step investment process, observing the analysis of the market, sector, quantitative and qualitative factors. They observed that Oelschlager utilized multi-factor process for broker-dealer selection that ensured the total cost or proceeds in each transaction was most favorable to the Funds. The Trustees noted that Oelschlager updated its compliance manual and code of ethics since the last renewal. Counsel indicated that Oelschlager did not report any recent regulatory examinations or litigation. After further discussion, the Trustees concluded that services provided by Oelschlager for each Fund have been satisfactory.

ADDITIONAL INFORMATION (CONTINUED) NOVEMBER 30, 2024 (UNAUDITED)

Performance. The Trustees examined the Funds' investment strategies and objectives. They observed that the Towpath Focus Fund performed relatively in line with its peer group average, and underperformed the Lipper Category Average (Multi-Cap Core) and its Russell 3000 Index Benchmark for the one-year period ended August 31, 2024. The Trustees noted that the Focus Fund outperformed its peer group average, the Lipper Category Average (Multi-Cap Core) the Russell 3000 Index for the three-year period. The Trustees further observed that the Focus Fund outperformed its peer group average and performed in line with the Russell 3000 Index since inception.

With respect to the Towpath Technology Fund, the Trustees observed that the Fund underperformed its peer group average, the Lipper Category Average (Science and Technology), U.S. Technology Morningstar Category and the S&P 500 Equal Weight Information Technology Index ("S&P EWIT Index"), the for the one-year period ended August 31, 2024. They noted that the Technology Fund outperformed its peer group average, U.S. Technology Morningstar Category, and the Lipper Category Average (Science and Technology), while underperforming its benchmark SS&P EWIT Index for the three-year period. Since inception, the Trustees observed that the Fund outperformed its peer group, the Morningstar category and the Lipper Category while underperforming the S&P EWIT Index. After further discussion, the Trustees agreed that the performance of both Towpath Funds was satisfactory.

Fees and Expenses.

<u>Technology Fund:</u> The Trustees observed that the Fund's advisory fee was 0.70% and noted that the Fund's advisory fee was lower than the Fund's peer group average. They considered that Oelschlager agreed to continue the expense limitation agreement, under which it agreed to contractually limit expenses to 1.10% subject to certain exclusions. After further discussion, the Trustees concurred that the advisory fee was not unreasonable.

<u>Focus Fund:</u> The Trustees observed that the advisory fee was 0.70%, which was lower than the Fund's peer group average. They stated that Oelschlager agreed to continue the expense limitation agreement, under which it agreed to contractually limit expenses to 1.10% subject to certain exclusions. After further discussion, the Trustees concluded that the advisory fee was not unreasonable.

Profitability. The Trustees examined the profitability analysis provided by Oelschlager with respect to each Fund and contemplated whether projected profits, if any, were reasonable. They noted that the adviser reported a loss in connection with each Fund over the prior twelve months of operations for each Fund, however, the Trustees acknowledged that the advisory fees distinct from the Funds allowed the adviser to absorb lost profits from the Funds. The Trustees agreed that excessive profitability was not a concern at this time.

ADDITIONAL INFORMATION (CONTINUED) NOVEMBER 30, 2024 (UNAUDITED)

Economies of Scale. The Trustees contemplated whether Oelschlager will experience economies of scale with respect to the management of the Funds. They observed that the adviser indicated that it was open to discussing the implementation of economies of scale as each Fund's assets increased. The Trustees agreed that the absence of breakpoints at this time was reasonable.

Conclusion. Having requested and received such information from Oelschlager as the Trustees believed reasonably necessary to evaluate the terms of Management Agreement, and as aided by the advice of counsel, the Trustees concluded that the fee structure was reasonable with respect to each Fund and that approval of the Management Agreement was in the best interests of shareholders of each Fund respectively.
